

IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.21933 of 2008
SUNIL KUMAR RAM
Versus
THE STATE OF BIHAR

03/ 03.09.2008 Heard.

The allegation against the petitioner is that he fired three shots and killed the father of the informant.

The contention is that the petitioner is not a criminal and the act complained of may be alleged due to some ulterior motive. The further contention is that none of the witnesses examined indicated that they had seen the petitioner running away. The next contention is that there does appear some allegations of animosity between the parties and as such there could be the possibility of false implication of the petitioner. The act of the petitioner indicates that he was the assailant.

The petition is dismissed.
